## **Appointment Agreement for Energy Path Work**

~ **Initial Consultations** are provided for those new to energy work processes. This is a meet and greet for addressing all of your questions and for your guide to explain the basics of energy work processes. During this 15-minute meeting, you will receive a chakra boost which is designed to help you understand what you could expect to experience from an energy work session. **Investment: \$15**

~ **Energy Path Mapping** is for those who are already familiar with energy work processes or don't feel they need an initial consultation. This appointment is 90 minutes in length and will include a Usui Reiki experience as well as chakra balancing and energy cleansing. During this time, you and your guide will generate a plan that incorporates energetic processes that support what you determine that you would most like to gain from your energy path work. **Investment: \$95**

~ **Regularly scheduled appointments** are set at a pace that you and your guide have mapped out in your previous session. These 60-minute sessions will follow the path specifically mapped out for you. Ultimately during this time, you will develop the skills to care for your own energy body on a regular basis. **Investment: \$70**

~ **Energy Showers** are special appointments for those times when life has thrown you into a place where you need extra help along your path. These sessions are primarily for those who have worked through their regular appointments and have learned how to maintain their energy bodies. These sessions range from 30-90 minutes depending on the need. **Investment: \$40-\$95**
